

# Cell Biology, Developmental Biology, and Systems Biology Course Meeting

Co-organized by  
Advanced Study of Human Biology (ASHBi)  
Research Center for Dynamic Living Systems (生命動態研究センター)

**Date:** Jun 19, 2020 (Fri), 17:00 – 19:00

## This webinar is held on Zoom

- For students who need the credits, preregistration is required to get the link for the zoom in your PandA account.
- For others who want to join the webinar, please email to [cell.dev.sysbio@gmail.com](mailto:cell.dev.sysbio@gmail.com)

---

### (17:00 - ) Taeko Kobayashi

Institute for Frontier Life and Medical Sciences, Kyoto University

#### Lysosomal regulation of quiescence and proliferation in adult neural stem cells

---

### (17:30 - ) Kyogo Kawaguchi

RIKEN BDR

#### Collective cell dynamics and many-body physics

---
