

Cell Biology, Developmental Biology, and Systems Biology Course Meeting

Date: November 16, 2018 (Fri)
17:00 – 18:30

Place: Memorial Auditorium
& Museum of Medicine
基礎医学記念講堂・医学部資料館
(No.7 bldg.)

(17:00 -) **Kumiko Yoshioka-Kobayashi**

Institute for Frontier Life and Medical Sciences, Kyoto University

Single-cell quantification of mouse segmentation clock dynamics for understanding phase synchronization mechanism

(17:30 -) **Caroline Vissers**

Johns Hopkins School of Medicine

Molecular Regulation of Stem Cells by m6A mRNA Methylation
