

Cell Biology, Developmental Biology, and Systems Biology Course Meeting

Co-organized by
Advanced Study of Human Biology (ASHBi)
Research Center for Dynamic Living Systems (生命動態研究センター)

Date: Jul 17, 2020 (Fri), 17:00 – 19:00

This webinar is held on Zoom

- For students who need the credits, preregistration is required to get the link for the zoom in your PandA account.
- For others who want to join the webinar, please email to cell.dev.sysbio@gmail.com

(17:00 -) **Aileen De-Leon Mendoza**

Institute for Chemical Research, Kyoto University

Controlled Lipid β -oxidation and Carnitine Biosynthesis by a Vitamin D Metabolite

(17:30 -) **Mikiko Sodeoka**

RIKEN

Chemical Methods for Imaging and Target Identification of Bioactive Small Molecules
